

# RII40215 - CERTIFICATE IV IN SURFACE COAL MINING (OPEN CUT EXAMINER)

## Course overview

The Certificate IV in Surface Coal Mining (Open Cut Examiner) is one of the mandatory requirements for those wishing to undertake the role of Open Cut Examiner on a mine site. OCE's conduct tasks involving a wide range of varied activities most of which are highly in depth and non-routine. They are to manage the quantity and quality of the work produced by others and to contribute to the development of technical outcomes to non-routine problems that arise.

## COURSE IN DETAIL

### Prerequisites

Relevant industry experience

### Skills gained

- Teamwork
- Self-management
- Learning
- Problem solving
- Technology
- Planning and Organising
- Initiative and enterprise
- Communication

### Career Opportunities

- Open Cut Examiner
- Mine Supervisor

## Qualification requirements

Certificate IV in Surface Coal Mining (Open Cut Examiner) comprises of 14 units: 9 Core Units and 5 Elective Units, one from group A electives and three from group B electives. Includes 3 operator units, from Group B, as required by the training package guidelines. There is one additional imported unit, relevant to this qualification.

### Core Units (9)

- RIIERR401E – Apply and monitor surface operations emergency preparedness and response procedures
- RIIMEX405D – Apply and monitor systems and methods of surface coal mining
- RIIBLA205D – Store, handle and transport explosives
- RIIRIS402E – Carry out risk management processes
- RIIWHS404D – Implement and monitor health and hygiene management systems
- RIIWHS301D – Conduct safety and health investigations
- RIIMPO403D – Monitor interaction of heavy and light vehicles and mining equipment
- RIIWHS402D – Examine and maintain mine safety
- BSBSUS401 – Implement and monitor environmentally sustainable work practices

### Group A (1)

- RIIBLA301D – Conduct Surface Shotfiring Operations

### Group B (3)

- RIIMPO301E - Conduct hydraulic excavator operations
- RIIMPO304E - Conduct wheel loader operations
- RIIMPO308F - Conduct tracked dozer operations
- RIIMPO309F - Conduct wheeled dozer operations
- RIIMPO310F - Conduct grader operations
- RIIMPO338E - Conduct rigid haul truck operations
- RIIMPO312E - Conduct scraper operations
- RIIBDH301D - Conduct surface blast hole drilling operations

### Imported Unit (1)

- RIICOM301D – Communicate information
