

HEALTH AND SAFETY REPRESENTATIVE (HSR) 5 DAY INITIAL TRAINING

Course Overview

The course will provide elected Health and Safety Representatives (HSR) with information and skills required for HSRs under the NSW WHS legislation including:

- an understanding of the requirements of the 2011 NSW Work Health and Safety act and the recently amended 2017 Regulation;
- an understanding of how it applies to their role as elected Health and Safety Representatives (HSR); and
- the knowledge and skills necessary to use their new powers under the new WHS legislation in issuing Provisional Improvement Notices (PINs) and directing unsafe work to cease.

This course is intended to assist HSRs understand how the WHS legislation will influence health and safety outcomes in their workplace. The course aims to familiarise participants with the information necessary to apply the principles of workplace consultation as an integral part of an effective Safety Management System (SMS).

COURSE IN DETAIL

Prerequisites

Persons eligible for the SafeWork NSW HSR Training are to be a current elected Health and Safety Representative or deputy HSRs under the WHS Act.

Course Aim

The aims of this course are to provide HSRs and deputy HSRs, elected under the new WHS legislation, with information and skills relating to:

- The WHS legislative framework and key terminology;
- Duties of various stakeholders that can influence work health and safety;
- Enforcement measures available for breaches of WHS legislation;
- The roles of regulator (SafeWork NSW) and WHS entry permit holders under the WHS Act;
- Requirements for consultation, representation and participation on work health and safety issues in the workplace;
- The role of Health and Safety Representatives (HSRs), Health and Safety Committee (HSCs) and other authorised representatives; and
- HSR's powers including the issuing of PINs and directing the ceasing of unsafe work.

Certification

On successful completion of the course, participants will receive a SafeWork NSW (previously WorkCover) Approved Certificate or on partial completion they will receive a SafeWork NSW Approved Certificate.
